## ? Getting started

Signal shares allows you to manage your shareholding and share plans online. You can view your shareholding, change the way we communicate with you or the way you receive your dividends, and buy and sell shares. If you haven't used this service before, all you need to do is enter the name of the company you hold shares in and register your account on the next page. You'll need your Investor code (IVC) to register.
