13 November 2017

Dear Shareholder

1. Introduction

The Annual General Meeting of the Company is to be held at 5.30 pm on 7 December 2017 at the offices of Goodman Derrick LLP, 10 St Bride Street, London EC4A 4AD and is convened by the formal notice of meeting set out at the end of this document. In addition to the usual resolutions put to Shareholders at the AGM, the Directors are also proposing resolutions to renew the Company's authority to buy back shares and also for the Independent Shareholders to approve waivers of certain obligations arising under the City Code, which may otherwise apply to the Major Shareholders as follows:

- as a result of any future repurchases by the Company of Ordinary Shares in the market pursuant to the Share Purchase Authority (Resolution 13); and
- as a result of any exercise by the Major Shareholders of the New Options (Resolution 14).

The authority of the Company to purchase Ordinary Shares is only intended to be utilised in circumstances where the Directors believe this to be in the best interests of Shareholders as a whole.

In addition to highlighting the usual business to be transacted at the AGM, the purpose of this document is to explain to you the background to the Resolutions which will be considered at the AGM, why the Directors consider Resolution 12 to be in the best interests of the Shareholders as a whole, why the Independent Directors consider Resolutions 13 and 14 to be in the best interests of Independent Shareholders and the Company as a whole and why the Directors and Independent Directors respectively recommend that you vote in favour of them.

2. Election of Directors

Andrew Jacobs and Simon Thomas, who retire by rotation under the provisions of the Company's Articles, are standing for re-election at the AGM. In addition, Richard Holmes, Edward Luker and Charles Peal who each have over nine years' tenure as a Non-Executive director of the Company, are required to offer themselves for re-election and will therefore also be standing for re-election at the AGM.

Colin Jacobs retired from the Board of Directors on 4th July 2017.

3. Dividends

The Directors are recommending payment of a final dividend of 7 pence per Ordinary Share in respect of the year ended 31 July 2017, subject to shareholder approval. The final dividend will be paid on 10 January 2018 to all Shareholders registered in the Company's share register on 1 December 2017. The Ordinary Shares will become ex-dividend on 30 November 2017. Thus, Resolution 9 will be proposed as an ordinary resolution to declare a final dividend of 7 pence per Ordinary Share for the year ended 31 July 2017.

4. Share Capital

Under the Act, directors of companies may not allot new shares (or grant rights over shares) unless authorised to do so by shareholders in a general meeting.

Accordingly, the ordinary resolution set out as Resolution 10 in the notice of AGM seeks to renew for a further period, expiring at the earlier of the conclusion of the annual general meeting to be held in 2018 and 15 months from the date of the AGM, the authority previously granted to the Directors to allot new Ordinary Shares (or grant rights over Ordinary Shares) up to an aggregate nominal amount of £97,873, representing approximately one third of the existing issued ordinary share capital of the Company.

Furthermore, a company proposing to allot new equity securities (within the meaning of the Act) for cash may not do so before first offering them to existing shareholders, subject to certain exceptions. As in previous years, the Directors believe that it is in the best interests of the Shareholders that the Directors should have limited authority to allot Ordinary Shares (or grant rights to convert into or subscribe for Ordinary Shares) for cash without first having to offer such shares to existing Shareholders in proportion to their holdings.

Accordingly, the special resolution set out as Resolution 11 in the notice of AGM proposes that power be granted to allot securities for cash on a non-pre-emptive basis up to a maximum nominal amount equal to £29,361 (representing approximately ten per cent. of the existing issued ordinary share capital of the Company (inclusive of treasury shares)). This resolution also disapplies the pre-emption rights to the extent necessary in connection with the allotment of Ordinary Shares to facilitate rights issues, open offers and similar transactions. The authority will expire on the earlier of 15 months from the date of the AGM and the conclusion of the next annual general meeting of the Company to be held in 2018.

5. Purchase of Own Shares

Resolution 12 is a special resolution to grant authority to the Directors to make purchases of its Ordinary Shares through the market. The authority would expire at the conclusion of the next annual general meeting of the Company following the AGM. The maximum aggregate number of Ordinary Shares which may be purchased pursuant to this authority would be 11,500,000, which represents approximately 39.17 per cent. of the Company's existing issued ordinary share capital.

Any Ordinary Shares purchased under the authority sought by Resolution 12 will either be cancelled, and the number of Ordinary Shares in issue reduced accordingly, or will be held in treasury.

Whilst the Directors have not, during the period 24 November 2016 to 7 November 2017 utilised any of the authority to repurchase shares granted at the annual general meeting in 2016, the Board would like maximum flexibility to buy back shares should the situation arise. There are currently no Ordinary Shares held in treasury. However, the Directors will only exercise the authority sought by Resolution 12 after taking account of the overall financial position of the Company and in circumstances where they believed that to do so would result in an increase in value for the remaining Shareholders and be in the best interests of Shareholders as a whole.

6. City Code on Takeovers and Mergers

Under Rule 9 of the City Code, when any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which, when taken together with shares in which persons acting in concert with him are interested, carry 30 per cent. or more of the voting rights of a company which is subject to the City Code, such person or persons, is or are normally required to make a general offer to all other shareholders in that company to acquire their shares.

Similarly, when any person, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30 per cent. of the voting rights of such a company but does not hold shares carrying more than 50 per cent. of such voting rights, a general offer will be required if he or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which he is interested.

An offer under Rule 9 of the City Code must be in cash and at the highest price paid, within the preceding 12 months, for any interest in shares in the company by the person required to make the offer or any person acting in concert with him.

Under Rule 37 of the City Code, when a company purchases its own voting shares, the resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purpose of Rule 9 of the City Code (although a shareholder who is neither a director nor acting in concert with a director will not normally incur an obligation to make an offer under Rule 9 in these circumstances).

7. Current and potential shareholdings of the Major Shareholders

For the purposes of the City Code, Andrew Jacobs and Simon Thomas, (together with their close relatives and related trusts) are treated by the Panel as acting in concert (the Major Shareholders).

The Major Shareholders currently hold, in aggregate, 7,698,240 Ordinary Shares, representing 26.22 per cent. of the Company's issued ordinary share capital of 29,361,923 as at 7 November 2017 being the latest practicable date prior to the publication of this document. Any increase in the Major Shareholders' aggregate interest in Ordinary Shares (including, as mentioned above pursuant to a share buy back) to 30% or more of the voting rights of the Company would be subject to the provisions of Rule 9 of the City Code (to the extent not previously approved by the Independent Shareholders).

In addition, the Major Shareholders hold a total of 439,301 Existing Options and New Options, with Andrew Jacobs and his connected parties (as detailed herein) collectively holding Options over 281,087 Ordinary Shares and Simon Thomas and his connected parties (as detailed herein) collectively holding Options over 158,214 Ordinary Shares. At the Company's annual general meeting in November 2016, the Independent Shareholders approved ordinary resolutions to waive the obligation that would otherwise arise on the Major Shareholders under Rule 9 as a result of the exercise of the Existing Options provided that their interests do not exceed 49.99% in aggregate of the issued share capital of the Company as a result thereof. The New Options were granted to the Major Shareholders on 31 July 2017.

Any increase in the interests of the Major Shareholders in Ordinary Shares as a result of the exercise of the New Options may in certain circumstances give rise to an obligation on the Major Shareholders to make a general offer for the Company's Ordinary Shares under the City Code but would not result in their interests exceeding 49.99% of the issued share capital of the Company. These New Options have been granted conditional upon a waiver being granted in respect of the obligation that may otherwise arise on the Major Shareholders under Rule 9 as a result of the exercise of the New Options. Should such a waiver not be granted, the Major Shareholders have agreed that they will surrender the New Options.

Further details of the effect of the Share Purchase Authority and the exercise of the Options on the Major Shareholders are set out in paragraphs 8 (a) and (b) below.

8. The Waiver Resolutions

(a) Resolution 13 – The Repurchase Waiver

As mentioned in paragraph 7 above any increase in any of the Major Shareholders' interest in Ordinary Shares (which includes any increase caused by way of a share buy back) such that the Major Shareholders in aggregate hold 30 per cent. or more of the voting rights of the Company, would have the effect of triggering Rule 9 of the City Code and result in that Major Shareholder being under an obligation to make a general offer to all Shareholders.

Your Board has consulted with the Panel, which has agreed that, subject to approval of the Independent Shareholders on a poll at the AGM, it will grant the Repurchase Waiver. The effect of the Repurchase Waiver, if approved by the Independent Shareholders, would be that the Major Shareholders would not be required to make a general offer under Rule 9 of the City Code that would otherwise arise due to the increase in the aggregate holding of the Major Shareholders resulting from the purchase by the Company of its own Ordinary Shares pursuant to the Share Purchase Authority to 30% or more of the share capital of the Company.

Resolution 13 is not conditional on the passing of Resolution 14 and, as mentioned above, is subject to the approval of Independent Shareholders on a poll, where each Independent Shareholder will be entitled to one vote for each Ordinary Share. The Major Shareholders are not entitled to vote on this poll as they are not considered to be independent.

Set out below are details of the maximum percentage of the Company's voting rights which would be held by the Major Shareholders under two separate scenarios. These scenarios do not take into account approval of the Options Waiver as this is considered in paragraph 8 (b) below.

Scenario 1

In the event that:

- the Independent Shareholders approve the Repurchase Waiver;
- the Repurchase Resolution is passed and the maximum number of Ordinary Shares are repurchased by the Company under the Share Purchase Authority;
- none of the Directors (or any persons connected with them within the meaning of sections 252–255 of the Act) agree to participate in the buy back;
- there are no sales of Ordinary Shares by the Major Shareholders; and
- the Existing Options are not exercised,

the combined shareholding of the Major Shareholders of 7,698,240 Ordinary Shares would represent 43.10 per cent. of the then issued ordinary share capital of the Company of 17,861,923 Ordinary Shares.

Scenario 2

In the event that:

- the Independent Shareholders approve the Repurchase Waiver;
- the Repurchase Resolution is passed and the maximum number of Ordinary Shares are repurchased by the Company under the Share Purchase Authority;
- none of the Directors (or any persons connected with them within the meaning of sections 252–255 of the Act) agree to participate in the buy back;
- there are no sales of Ordinary Shares by the Major Shareholders; and
- the Existing Options are exercised,

the combined shareholding of the Major Shareholders of 8,129,799 Ordinary Shares would represent 44.44 per cent. of the then issued ordinary share capital of the Company of 18,293,482 Ordinary Shares.

(b) Resolution 14 – The Options Waiver

As mentioned in paragraph 7 above, in addition to the Major Shareholders' aggregate interests in the Company's issued share capital of 26.22 per cent., the Major Shareholders also hold Options over 439,301 Ordinary Shares. Therefore, any increase in the Major Shareholders' aggregate interest in Ordinary Shares, including through the exercise of their Options, may in certain circumstances have the effect of triggering Rule 9 of the City Code and result in the Major Shareholders being under an obligation to make a general offer to all Shareholders.

Your Board has consulted with the Panel, which has agreed that, subject to approval of the Independent Shareholders on a poll, it will grant the Option Waiver. The effect of the Option Waiver, if approved by the Independent Shareholders, would be that the Major Shareholders would not be required to make a general offer under Rule 9 of the City Code that would otherwise arise due to the increase in the aggregate holding of the Major Shareholders to 30% or more of the share capital of the Company resulting from the exercise of the New Options.

Resolution 14 is not conditional on the passing of Resolution 13 and is subject to the approval of Independent Shareholders on a poll where each Independent Shareholder will be entitled to one vote for each Ordinary Share. The Major Shareholders are not entitled to vote on this poll as they are not considered to be independent.

Set out below are details of the maximum percentage of the Company's voting rights which would be held by the Major Shareholders under three separate scenarios. Scenario 3 shows the maximum percentage of the Company's voting rights which could ever be held by the Major Shareholders following the approval of the Repurchase Resolution and Waiver Resolutions as it assumes the full utilisation of the Share Purchase Authority and the full exercise of the Options (both Existing Options and New Options) (see also paragraph 5.4 in Part II of this document for further details).

Scenario 1

In the event that:

- the Option Waiver is not approved by the Independent Shareholders;
- there is no Company buy back of shares;
- there are no sales of Ordinary Shares by the Major Shareholders; and
- the Major Shareholders exercise only the Existing Options (which have already been waived by Independent Shareholders for the purpose of Rule 9),

the combined shareholding of the Major Shareholders would equal 8,129,799 Ordinary Shares and would represent 27.29 per cent. of the then enlarged issued share capital of the Company of 29,793,482 Ordinary Shares.

Scenario 2

In the event that:

- the Option Waiver is approved by the Independent Shareholders;
- there is no Company buy back of shares;
- there are no sales of Ordinary Shares by the Major Shareholders; and
- the Major Shareholders exercise all of the Options (both the Existing Options and the New Options),

the combined shareholding of the Major Shareholders of 8,137,541 Ordinary Shares and would represent 27.31 per cent. of the then enlarged issued share capital of the Company of 29,801,224 Ordinary Shares.

Scenario 3

In the event that:

- the Option Waiver is approved by the Independent Shareholders;
- the Repurchase Resolution is passed and the Share Purchase Authority is utilised in full;
- none of the Directors (or persons connected with them within the meaning of sections 252-255 of the Act) participate in the buy back;
- there are no sales of Ordinary Shares by the Major Shareholders; and
- the Major Shareholders exercise all of the Options (both the Existing Options and the New Options),

the combined shareholding of the Major Shareholders of 8,137,541 Ordinary Shares and would represent 44.46 per cent. of the voting rights of the then enlarged issued share capital of the Company of 18,301,224 Ordinary Shares (as detailed in paragraph 5.4 of Part II of this document).

Shareholders should note that any further increase in the interests of the Major Shareholders in the Ordinary Shares of the Company, which increases the percentage of the voting rights in which they are interested, either collectively or individually to 30% or more of the issued share capital of the Company, other than as a result of the purchase of Ordinary Shares pursuant to the Share Purchase Authority or the exercise of the New Options, will be subject to the provisions of Rule 9. In the event that the Waiver Resolutions are passed by the Independent Shareholders, the Major Shareholders will not be restricted from making an offer the Company.

Furthermore, if the Waiver Resolutions are approved by the Independent Shareholders and both the Share Purchase Authority is fully utilised and the Options (both Existing and New) are fully exercised, Andrew Jacobs and his connected parties will have a 32.34 per cent. interest in the then issued share capital of the Company of 18,301,224 Ordinary Shares (as detailed above and also in paragraph 5.4 of Part II of this document). Therefore, any transfer of shares of the Company by any member of Simon Thomas' connected parties to any member of Andrew Jacobs' connected parties, which has the effect of maintaining the Major Shareholders' aggregate interests but increases the percentage of shares carrying voting rights in which Andrew Jacobs and his connected parties are individually interested will also be subject to the provisions of Rule 9.

9. Approval of Transactions involving the Directors

Section 190 of the Act provides that a company may not enter into an arrangement under which (i) a director of the company or a person connected with a director (which includes companies connected with that director) acquires or is to acquire from the company a substantial non-cash asset or (ii) the company acquires or is to acquire a substantial non-cash asset from the director (or connected person) unless the arrangement has been approved by a resolution of the shareholders of the company.

Resolution 15 seeks approval under section 190 of the Act for the purchase by the Company of any Ordinary Shares held by Directors and persons connected with them which may be purchased by the Company pursuant to the Repurchase Resolution.

10. General Meeting

A notice convening the AGM to be held at the offices of Goodman Derrick LLP, 10 St Bride, London EC4A 4AD is set out at the end of this document.

As mentioned above, due to their interest in the Waiver Resolutions, the Major Shareholders will not be voting on Resolution 13 (which relates to the Repurchase Waiver) or Resolution 14 (which relates to the Options Waiver) in respect of their combined interests of 7,698,240 Ordinary Shares representing 26.22 per cent. of the Company's issued ordinary share capital as at 7 November 2017 being the latest practicable date prior to the publication of this document (as detailed in paragraph 5.4 of Part II of this document).

11. Action to be Taken

You will find enclosed with this document a reply-paid form of proxy for use by Shareholders at the Annual General Meeting. Whether or not you intend to be present at the Annual General Meeting, you are requested to complete this form in accordance with the instructions printed on it as soon as possible. To be valid, completed forms of proxy must be received by Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU so as to arrive not later than 5.30pm on 5 December 2017.

Completion and return of the proxy form will not preclude you from attending and voting in person at the Annual General Meeting if you so wish.

New Shareholders should note that, in order to have the right to attend and vote at the meeting, their holding must be entered on the Company's share register by close of business on 5 December 2017.

12. Recommendation

Repurchase Resolution

The Directors consider that the Share Purchase Authority is fair and reasonable. In addition, the Directors consider that the Share Purchase Authority is in the best interests of the Company and its Shareholders as a whole.

Accordingly, the Directors recommend all Shareholders to vote in favour of the Repurchase Resolution to be proposed at the AGM, as they intend to do in respect of their own beneficial holdings of Ordinary Shares which, in aggregate, amount to 7,871,715 Ordinary Shares representing approximately 26.81 per cent. of the existing issued ordinary share capital of the Company as the Directors consider the proposals to be in the best interests of the Company and its members as a whole and are most likely to promote the success of the Company for the benefit of its members as a whole.

Waiver Resolutions

The Independent Directors consider that the grant and purchase of Ordinary Shares pursuant to the Share Purchase Authority and/or the grant and exercise of the New Options are fair and reasonable and are in the best interests of the Independent Shareholders and the Company as a whole.

The Independent Directors, who have been so advised by finnCap, consider that:

- (i) the Repurchase Waiver is fair and reasonable and is in the best interests of the Independent Shareholders and the Company as a whole; and
- (ii) the Options Waiver is fair and reasonable and is in the best interests of the Independent Shareholders and the Company as a whole.

In providing advice to the Independent Directors, finnCap has taken into account the Independent Directors' commercial assessments.

Accordingly, the Independent Directors recommend all Independent Shareholders to vote in favour of the Waiver Resolution to be proposed at the AGM, as they intend to do in respect of their own beneficial holdings of Ordinary Shares which, in aggregate, amount to 866,115 Ordinary Shares, representing approximately 2.95 per cent. of the existing issued ordinary share capital of the Company.

As stated above, the Major Shareholders are considered to be interested in the outcome of the Repurchase Waiver and the Options Waiver. Accordingly, Andrew Jacobs and Simon Thomas have not participated in the Board's recommendation and the Major Shareholders will not vote on Resolutions 13 or 14.

Yours sincerely

Ray Davies, Neil Newman-Shepherd, Richard Holmes, Edward Luker and Charles Peal
The Independent Directors
